A CHANGE IN MAIL DELIVERY....

The mail system is almost here! Ron just has to hang on the wall & the site numbers inputted and it's good to go for you to get your mail in your designated slot. If you need help getting oversized or heavy packages to your site, just ask Robin Pierson in site #27 (by botanical garden) & he will help you get them to your site. He will also deliver any meds to make sure you get them promptly.

WHAT'S GOING ON IN THE CAMPGROUND

Office hours are changing. Beginning October 16, Dave & Cheryl will be on duty every Friday through Monday. Tuesday through Thursday there is no one available physically but you can call the office phone 352-542-9500 if you have problems, questions, repair needs and so forth. Dave will be available to do small issues Friday – Monday. So, please make sure you get your quarters, wood and ask any questions you may have during those 4 days Cheryl and Dave are on duty. Occasionally, the days may change up but those are the days they will be available. Also, if you flip a breaker or have any water issues or anything else, please call the office 352-542-9500 and someone will address any issues you may have.

DRESSING UP YOUR PERMANENT CAMPSITE

Dress up your campsite with skirting, porches or decks, comfy chairs, rugs, decorations, plants in pots or hanging baskets, moveable fencing and even a max size shed of 10 x 15! Make it an outdoor extension of your home. All is welcomed by the new owners with the warning of "as long as it looks neat, tidy & professional and not junky."

We have a few sites that have already decorated their sites in a very attractive way with plants, decorations, seating and grills.

In other words, make it your home, one you'll feel comfortable in and not just temporary. As an FYI, any truly attractive sites are being photographed and showcased on the internet. No names or site numbers are offered. We are trying to be respectful of your privacy.

Weather is getting cooler!

Start thinking about what you want to bring to the Thanksgiving Feast!

COMING THIS WINTER

We will be once again having a few pot lucks. Definitely Thanksgiving and New Year's Hot Dog Roast. We've thought about a pet parade for Halloween and maybe something for Valentine's Day, St. Patrick's Day, Easter. We'll have a movie night once a month, too. In the office, we are trying to get some games in there. Right now we have checkers, backgammon and will have some cards and puzzles. We also have a croquet set for you to use. Everyone is more than welcome to use the office or the pavillion to gather to play games or have a get-together for knitting/crocheting/quilting, a book club and private parties. I'm going to be checking into possibly having a bingo night. We'll see. All suggestions will be welcomed and considered.

Thanksgiving Dinner Menu: Contact Cheryl in site #14 what you'd like to bring, so we don't have too many duplicate dishes.

Movie Night: 2nd Thursday of the month at dusk

Thanksgiving Dinner: November 24th at 2:30 pm at the pavillion

New Year's Eve Hot Dog Roast: December 31 at 2:30 pm at the pavillion

Bingo Night: Tentative 3rd Thursday, TBA
